STUDENT AWARDS

OUTSTANDING SCHOLAR ***Bachelor's Degree Only*** **(Department Selection)**

The ***Outstanding Scholars*** are students appointed by their department chair or program director who, in the opinion of the faculty, have demonstrated academic excellence in their major. Only one student may be appointed for a given degree program from the list on page 2.

ELIGIBILITY CRITERIA:

1. The student must be completing his/her final term for a bachelor's degree during the current academic year including summer session (Fall 2017, Winter 2018, Spring 2018 or Summer 2018).
2. The student's personal integrity should be unquestionable.
3. The student must have 75 Oregon Tech credits and an Oregon Tech GPA of at least 3.50 (no rounding up).
4. The student must be appointed by his/her department chair or program director.

A list of qualifying students (who meet the above criteria based on completion of the Petition to Graduate) provided by the Registrar's Office will be hand-delivered to every department chair or program director.

Outstanding Scholars will be identified by a distinctive blue and gold honor cord worn at commencement. A certificate is given to the recipient and their name and award will be listed in the Commencement Program.

For a department's Outstanding Scholar to be considered for the President's Senior Cup Award, please follow the President's Senior Cup Nomination process which requires a letter of nomination.

SUBMISSION:
