Application Process	Online application only. Steps for dual enrollment: 1. Students must be currently admitted at either college. 2. Fill out the OIT dual application ( <a href="http://www.oit.edu/apply">www.oit.edu/apply</a> ). Students can be dually enrolled with multiple colleges at a time, but can only use credits from OIT and one dual partner to count toward enrollment for financial aid.	
Re-enrolling Process	Students who have not attended OIT in 4 or more terms must fill out OIT's re-enrolling form ( <a href="https://www.oit.edu/admissions/returning-student">https://www.oit.edu/admissions/returning-student</a> ). Submit transcripts for other colleges attended after leaving OIT. Chemeketa Community College transcripts will automatically be sent to OIT.	
Deadlines & App. Fee	Completed applications are due 3 weeks before the term starts. Cost is \$50, payable to OIT. No cost if student is already admitted to OIT.	
Financial Aid	<ul style="list-style-type: none"> <li>• OFAX will be used for transmission of enrollment and grade information.</li> <li>• Students cannot have financial aid that pays out from more than one institution.</li> <li>• The "home" institution (the college that pays the financial aid) shall be determined by the student's immediate degree objective. For example, if the student's immediate degree objective is a bachelor's degree, then OIT will be designated as the home institution. Should the student be pursuing either an Associate of Arts or Science degree prior to completing a bachelor's degree, Chemeketa will be designated as the home institution. Once a student has earned an AAS or AAOI, then OIT will become the home institution.</li> <li>• Students must take at least 6 credits from their home institution to qualify for or receive financial aid.</li> </ul>	
Disability Services	<ul style="list-style-type: none"> <li>• Register with disability services at either institution where accommodations are needed. Each institution is responsible for providing accommodations in courses for its campus.</li> <li>• Chemeketa DS will process the Dental Hygiene students, and consult with OIT on appropriate accommodations. Students must sign a release to OIT. Chemeketa will arrange all accommodations and bill OIT for accommodations provided in OIT classes. Through one process, students will be registered for DS at both schools.</li> </ul>
