The Faculty Athletic Representative (FAR) has the sole responsibility for determining athletic eligibility for all student-athletes participating in OIT intercollegiate athletic programs.

1. Athletic eligibility will be determined according to NAIA and appropriate conference rules.

2. Normal progress will be determined according to the following general guidelines:

   a) The institutionally-authorized degree programs as published in the student-athlete’s declared degree goal. “Substantial completion” means that the term-by-term accumulated coursework completed will project forward to meeting degree requirements within nine terms for the associate degree and fifteen terms for the baccalaureate degree. “Substantial completion” also requires a student-athlete to meet all specific requirements of the NAIA and appropriate athletic conferences.
